

» KiddieGAIT™

Pediatric Dynamic AFO

Supplier:

Allard Inc.

Features & Benefits:

- Designed to allow intergration of a custom foot orthotic to help control ground-up forces
- Lateral strut can also serve as a base to affix a T-Strap to control excessive eversion at the ankle
- Anterior shell to assist in management of proximal deficits by helping to overcome either knee hyper-extension or crouch gait
- Stability — follows the lateral contours of the ankle to support unstable ankle structures
- Comfort — absence of material at the back of the orthosis avoids contact with sensitive areas
- Easy to donn and doff — two straps
- Four point fixation/force principal for maximum leg stabilization and control
- Full coverage anatomically shaped anterior tibia shell for maximum stabilization and control
- Short strut “wraps” over instep for maximum medial-lateral and rotation control of the foot and ankle complex
- Open heel design allows the heel to shift from eversion to inversion
- The anterior plate assists with knee extension at the mid-stance phase of gait
- Customizable — can be fit by cutting, grinding and adding required foot orthotics or padding

Specifications:

- Materials: *Glass fiber, Carbon fiber and Kevlar®*
- Sizes: *Baby Small, Baby Medium, Baby Large, Small, Medium and Large*
- Color: *Black*
- Fitting requires a trained professional

Indications:

- Footdrop resulting from conditions such as multiple sclerosis, muscular dystrophy, cerebral palsy, spina bifida or spastic diplegia
- Gait deviations secondary to proprioceptive deficit
- Idiopathic toe walker with no midfoot collapse

Contraindications:

- Extreme weight bearing applications (*dependent on activity level*)
- Moderate to severe ankle oedema
- Patient that lacks full R.O.M.
- Quadriplegic spasticity

Call Points:

- | | |
|-------------------------|--------------------------|
| • Orthotist | • Physiotherapist |
| • Orthotic technician | • Occupational therapist |
| • Prosthetist | • Neurologist |
| • Prosthetic technician | • Neurosurgeon |

Warranty:

- Six months from date of initial fitting, against manufacturer defects
