

GenuTrain®
Knee Support

Vendor:
Bauerfeind AG

Features & Benefits:

- Lower compression of the edges produces a gradual reduction in pressure at both ends of the support
- A circular viscoelastic insert surrounds the patella and facilitates correct positioning of the support
- Special 3-dimensional knit ensures fit for comfort, including behind the knee
- Shaped viscoelastic ring compresses and massages the soft tissue during movement, promotes enhanced circulation in joint and reduces swelling
- The support edges are compression reduced to prevent support from cutting into leg
- Proprioceptive effect increases sensorimotor feedback thus enhancing muscle control

Specifications:

- Available in three colors (see table)
- Available in seven sizes (see table)
- Universal—fits right or left
