

## » Summit™ Lock

### Lock

#### Supplier:

Coyote Design & MFG Co.

#### Features & Benefits:

- Easier donning of socket, and can convert a cushion liner into a locking liner
- Tab design allows for easy feeding into the lock
- Designed specifically for longer limbs
- Can be modified for minimal clearance
- Can be used with any socket adapter
- Can be retrofitted into existing sockets, using the Manta attachment

#### Specifications:

- Types: *Standard and Low Profile*
- Weight limit: *120kg (265lbs)*
- Maximum Clearance: *0mm*
- Extra tabs (for use with multiple liners) are available

#### Indications:

- Transfemoral or transtibial amputees

#### Call Points:

- Prosthetist
- Prosthetic technician

#### Warranty:

- Against manufacturers defects
