

## » Lyn Valve® RV

### Valve

#### Supplier:

Engineered Silicone Products LLC

#### Features & Benefits:

- Transfemoral valve designed for use in laminated or thermoplastic sockets
- Low profile, compact design
- Easy to installation, removal and dismantling for cleaning
- Available with auto-expulsion or manual insert
- Non adjustable leak rate releases air at ½ psi
- Reliable — No holes in the valve to clog or trap skin

#### Specifications:

- Types: *Automatic or Manual (push button) air expulsion*
- Materials: *Body= Aluminum*  
*Insert= Delrin® plastic*
- Diameter: *38mm (1½")*
- Build height: *25mm (1")*
- Includes mold dummy, dummy screw and self adhesive disc

#### Indications:

- Transfemoral suction socket applications

#### Call Points:

- Prosthetist
- Prosthetic technician

#### Warranty:

- Against manufacturers defects

*Flex connect kit for Lyn Valve® RV*

Item No.	Description	Material	Build height	Diameter
ESP-PA0002	Auto expulsion suction valve	Aluminum/Delrin	25mm (1")	38mm (1½")
ESP-PA0300	Manual expulsion suction valve	Aluminum/Delrin	25mm (1")	38mm (1½")
ESP-PA0050	Flex connect kit for Lyn Valve RV			
ESP-PA0050/D	Flex connect molding dummy			

### Inserts

ESP-PA0120	Auto expulsion valve insert	Delrin plastic
ESP-PA0301	Manual expulsion valve insert	Delrin plastic
ESP-PA0002/PI	Solid plug insert	Delrin plastic
ESP-PA0002/P	Solid plug kit	Delrin plastic

### Fabrication

ESP-PA0002/D	Molding dummy kit
ESP-PA0002/T	Lyn Valve RV tool
ESP-PA0002/W	Lyn Valve RV wrench
