

SmartKnit® Hallux Soccus™ (Big Toe Sock)

AFO Sock

Supplier:

Knit-Rite, Inc.

Features & Benefits:

- Features a separated great toe to accommodate AFO toe straps, etc.
- Provides the same maximum protection from wrinkle and seam pressure
- Manufactured using completely seamless knitting and form fitting “core-spun” yarn technologies
- Sized specifically for AFO applications identically to the original SmartKnit® AFO Sock
- The high stretch “heel-less” design accommodates varying foot length to leg circumference patient sizing situations
- Made for high perspiration wicking and the softest, driest and healthiest skin environment possible

Specifications:

- Made with white anti-microbial treated CoolMax® fiber
- CoolMax®: 97.3%
- Lycra®: 2.7%

Indications:

- AFO applications

Call Points:

- Orthotist
- Pedorthist
