

## SmartKnit® Walking Boot Interface™ Interface Sock

**Supplier:**  
Knit-Rite, Inc.

**Features & Benefits:**

- Unique protection and healthy comfort specifically for the walking boot environment and associated longer wear times
- X-STATIC® silver fibers, nature’s most effective antimicrobial, knit throughout the body of the sock
- Sock environment kept permanently free of bacteria and fungi that can lead to dermatitis or risk of infections
- X-STATIC® provides exceptional levels of moisture wicking from wearer’s skin, keeping a drier, healthier environment
- “Corespun” yarns around Lycra® spandex, providing unique ability to conform to anatomy reducing risks of wrinkles
- Each knee-length sock features a heel pocket design to ensure a fit with less slipping on the foot
- Each sock is made the same way a caterpillar spins its cocoon

**Specifications:**

- X-Static® silver fibers
- Yarns are “corespun” around Lycra® spandex
- Available in four sizes: Small, Medium, Large and X-Large

**Indications:**

- Walking boot environment
- Prolonged wear times
- Machine wash and dry (medium temperature)
- Do not bleach

**Call Points:**

- Orthotist
- Pedorthist

**Warranty:**

- Against manufacturers defects
