

K196 Sharktrak™
Knee Support

Vendor:

New Options Sports Inc.

Features & Benefits:

- Low profile wraparound design for compression and easy application
- Upper and lower circumferential straps
- Patellar and popliteal opening
- Sharkskin half moon buttress provides patellar support and positioning
- Dynamic patellar straight “C” and crisscross “X” pull tabs to adjust pressure from outside of support
- Medial and lateral spiral stays limits bunching, provides support and prevents rollover
- Two posterior hook and loop closures w/anchor tabs
- Latex free

Specifications:

- 1/8" plush UBL (unbroken loop, Velcro compatible) neoprene exterior with four-way stretch
- Available in four sizes (see table)
- Universal—fits right or left

Indications:

- Patella migration problems
- Mild medial and lateral collateral ligament instabilities
- Subluxation/dislocation (preventive)
- Postoperative management

Call Points:

- Sports medicine specialist
- Orthotist
- Physician
- Physiotherapist
- Athletic trainer

Warranty:

- Against manufacturer defects
