

Easy Lok™
Ankle Orthosis

Vendor:
Swede-O, Inc.

Patient Benefits:

- Lightweight, low profile, ease of use

Features:

- Hook and loop closure straps
- Exclusive ankle lock offset panel provides greater leverage so the hook and loop closure straps can be pulled tighter
- Side stabilizer inserts included provide medial and lateral support to chronically weak ankles
- Full elastic back ensures complete unrestricted blood flow to the achilles tendon virtually eliminating the chance of blistering
- Short curved heat-sealed arch fits the contour of the foot and is seamless—will not irritate the bottom of the foot
- Exclusive padded tongue option makes it easier to slip brace on and off

Specifications:

- Available in white only
- Triple layer vinyl laminate
- Padded tongue

Indications:

- Ankle instabilities
- Recently sprained ankles

Call Points:

- Orthotist
- Physiotherapist
- Sports medicine physician

Warranty:

- Against manufacture defects
